

## Sherin and Lodgen LLP

Our clients rely on Sherin and Lodgen's experience and understanding in Real Estate, Litigation, and Business law. We represent businesses and individuals in a wide range of industries including retail and shopping centers, non profits, higher education, energy and natural resources, manufacturing, health services, legal services, and life sciences.

SHERIN  
AND  
LODGEN

With nearly 50 attorneys licensed to practice throughout New England, we can handle the most complex matters, while providing responsive, senior-level attention to every matter. We deliver sophisticated analysis with effective, efficient and focused representation and a high level of service by developing in-depth understanding of our clients' business goals, issues, concerns and emerging industry trends.
